

ORGANIZATIONAL PILLAR COMMITMENTS

The following pillar goals provide organizational guidance and accountability to short & long term success and operational decision making. Along with aligning to agency purpose and principles the organizational commitments also provide a framework for success.

FINANCIAL

Fiscal stewardship, successful fundraising and accurate use of financial resources to effectively serve our community

SERVICE DELIVERY

Commitment to evidence-based practices with continuous review and development of programs and services focused on client needs

CLIENT

Commitment to internal and external stakeholders ensuring the right tools and resources for success are accessible

CULTURE

Foster an organizational culture that is community centric, aligned with purpose, committed to collaboration, respect, integrity and self-care
